Maldivian commenced Scheduled Seaplane Flights to B.Fulhadhoo

Maldivian, the national carrier, is happy to announce that scheduled seaplane flights to B.Fulhadhoo have commenced on December 24, 2023, with flights scheduled every Sunday and Thursday. Maldivian is committed to supporting the stunning Baa Atoll's booming tourism sector by gradually increasing flight frequencies based on demand.

"We are very happy to be starting our scheduled seaplane flights to B. Fulhadhoo. This initiative demonstrates our dedication to improving the Maldives' tourism scene and encouraging more visitors to discover this idyllic tropical destination. Traveling by seaplane provides a unique and distinct experience that distinguishes it from other conventional means of transportation. We take great pride in offering our guests an amazing experience while they are at this captivating location." said Mr. Ibrahim Iyas, Managing Director of Island Aviation Services.

These scheduled seaplane flights aim to boost the Maldives' tourism industry in addition to providing travelers seeking an amazing experience in Fulhadhoo, Fehendhoo and Goidhoo with extraordinary ease.
